Asian American Studies is an interdisciplinary field of study that focuses on the histories, experiences, and cultures of people of Asian and Pacific Islander descent living in the United States. It seeks to broaden students' understanding of the diversity and complexity of Asian American identities and communities; to provide comparative and intersectional approaches to race, migration, ethnicity, class, gender, sexuality, and citizenship; and to encourage linking educational and research initiatives to community and political concerns.

The minor in Asian American Studies requires 12 credit hours of course work. Three courses (9 credit hours) must be taken in Asian American Studies. The remaining three credits may be fulfilled by taking: a) an additional Asian American Studies course; b) an elective in Asian studies; or c) an elective in U.S. race/ethnicity studies. Note that language courses (i.e., Chinese 1101) may not count toward the elective.
