The Swahili minor provides students the opportunity to study language, history, literature, and culture of Swahili speaking peoples of Eastern Africa.

The minor in Swahili consists of 15 hours of pre-requisite courses and 15 hours of course work beyond the pre-requisites. The purpose of the pre-requisites is to give students a basis in the language and culture upon which to build an understanding of the Swahili speaking world that is no longer limited to its cradle on the Swahili coast.

The selection of courses by students needs to be made with the counsel of an academic advisor. Students should be aware that not all of the courses that are available for the Swahili minor are offered every semester or year; thus early and careful planning is advised.
